POSTKARTE.

4p

Magdalen College was founded in 1458 by William Patten, of Waynflete, Lincolnshire, and built 1478-51. The buildings include four quadrangles covering 12 acres, a beautiful chapel (1480), and the famous Magdalen Tower, commenced in 1492 and finished in 1507, which is 150 feet high, and contains a peal of ten bells. Attached to the College are the pleasant Water Walks, on the banks of the Cherwell, so beloved by Addison.
